

Performance

Features

Type: Absorber

Absorption Range: 350 Hz to 4000 Hz

Acoustic Class: C | (aw) = 0,87

Available fire rates:
FG | Furniture Grade

Materials:
- Lacquered HMDF
- Marine grade plywood structural frame
- Calibrated cell acoustic foam

Eight M6 Screw Thread receiver included on each panel.

Technical Information

Doble H

Dimensions:

FG - LW | 1190x595x63mm | 4.6 Kg

Kalahari is a high performance acoustic absorber, crafted from wood using the same patented Artnovion technology that brought about the Sahara panel.

Kalahari has an elegant tessellated pattern, designed to meld seamlessly across rooms. Kalahari is especially efficient at reflection control, providing valuable scattering along with absorption.

The Kalahari absorber is available in a selection of sizes in lacquered and metallic finishes, available in 2 sizes in 2 orientations.

Product finishes

(FG - LW) Lacquered Wood Finishes
